## María Fragoso

**Artist**

Washington, United States

Painter Fragoso makes works that depict intimate relationships, exploring notions of queer identify, femininity and masculinity with strong influence from her Mexican heritage. She is an AXA Art Prize finalist, winner of the Ellen Battell Stoeckel Fellowship at the Yale Norfolk School of Art and 2019 Vermont Studio Center Fellowship. She also won an ACI Scholarship award and three scholarships from the Maryland Institute College of Art, her alma mater.
